

**UNITED STATES DISTRICT COURT  
DISTRICT OF MINNESOTA**

---

United States of America,

Case No. 20-cr-252(7) (WMW/TNL)

Plaintiff,

v.

**ORDER**

Ryan Matthew Muehlberg,

Defendant.

---

This matter comes before the Court on Defendant Ryan Matthew Muehlberg's Unopposed Third Motion to Continue Motion Filing Deadline and Motion Hearing, ECF No. 406. Defendant has also filed a Statement of Facts in Support of Exclusion of Time Under Speedy Trial Act, ECF No. 407.

Defendant moves to continue the motions-filing deadline to September 15, 2022, due to, among other things, the "extensive disclosures [the Government made] on July 5, 2022, including thousands of pages of documents, phone dumps, voluminous intercepts of electronic communications, and other materials." ECF No. 406 ¶ 3. Defense counsel contends he needs additional time to review the disclosures and discuss those materials with Defendant. *Id.* The Government has no objection to the requested extension. ECF No. 406 ¶ 6.

Additionally, beginning on March 13, 2020, and continuing thereafter, the Chief District Judge for the United States District Court for the District of Minnesota, has issued a series of General Orders in connection with the COVID-19 pandemic, addressing, among

other things, criminal proceedings and trials.<sup>1</sup> On June 1, 2022, the Chief Judge entered General Order No. 36, which allows limited in-person proceedings for defendants who decline to consent to conducting the proceeding using videoconferencing, or telephone conferencing if videoconferencing is not reasonably available. *See generally In re: Updated Guidance to Court Operations Under the Exigent Circumstances Created by COVID-19*, Gen. Order No. 36 (D. Minn. June 1, 2022). General Order No. 36 states that because only limited in-person proceedings may be held each day, criminal proceedings may be continued until the date that the criminal proceeding takes place.

General Order No. 36 continues to encourage the use of videoconferencing in criminal proceedings and states that, with the defendant's consent, criminal proceedings will be conducted by videoconferencing, or telephone conferencing if videoconferencing is not reasonably available.<sup>2</sup> General Order No. 36 further provides that the presiding judge will enter orders in individual cases to extend deadlines and exclude time under the Speedy Trial Act to address delays attributable to COVID-19. **Accordingly, should Defendant file pretrial motions, counsel shall also file a letter indicating whether Defendant consents to a motions hearing by videoconference. See also ECF No. 374.**

Pursuant to 18 U.S.C. § 3161(h), this Court finds that the ends of justice served by granting a continuance outweigh the best interests of the public and Defendant in a speedy
